## St. Mary's Athletic Club

**Our Mission:** To build our community while promoting character and teamwork through organized sports.

The **St. Mary's Athletic Club** is an organization that was created to bring the youth of the Nativity of the Virgin Mary, as well as children from all the surrounding neighborhoods together via the means of sports and athletics. We want our youth to develop friendships and relationships for many years to come, while utilizing the resources that the church provides to help create a better community for everyone.
